

Game Guidelines

Philosophy of Gaelic4Mothers&Others Activity is to promote full participation with emphasis on non-competitive and social atmosphere.

Every participant should get the opportunity to develop their skills in a fun and safe environment.

If you are considering hosting a Gaelic4Mothers&Others Game and/or Blitz in your club or County here are a few things to think about:

* Notification of all games and blitzes must be sent to National Games Development officer Vinny Whelan no less than 48 hours prior to the event taking place. This can be achieved by simply filling in the Activity Approval form that can be found on the web page.

The purpose of this is for the LGFA office to have a record of all activities that took place during the year.

Reminder:

- The primary aim of a Gaelic4Mothers&Others games/blitz is to give clubs the opportunity to socialise with other teams and to try out their skills in a fun environment. The aim of your game/blitz should be to facilitate this socialising and feel good atmosphere for other teams.
- No finals, winners, medals or trophies are permitted. (Possible exceptions to this would be if a club presented a FUN award, i.e. 'Most Entertaining Team', 'Best Team Song' or 'Best fancy dress')
- Clubs may be visited by a member of the LGFA Development Team to ensure the ethos of G4M&O is being adhered to at all times
- Games should be no more than 11-a-side, should not be played on full size pitches, and should be no longer than 20 minutes a half (Single game).
- Referees should be fully aware of the Gaelic4Mothers&Others ethos and ensure that all games are played in a non-competitive and safe manner.
- As Games/Blitz Days are a social event you should consider if you want to provide entertainment or a post-game/blitz event. Teams may want to carry on their activities later in the evening, could your club facilitate this?
- The paramount factor in Gaelic4Mothers&Others Blitz Days is that they are held in a fun and inclusive environment. Every participant regardless of ability or experience should feel welcome on the day.

How to Organise:

Use modified pitch, playing rules and equipment that are appropriate to the group and ability level of those participating. (see template overleaf)

These playing rules are not set in stone – there is no reason why the rules cannot be modified to meet the varying needs and abilities that coaches and players meet the needs of all participants.
